

### CONGRATULATING COMMANDER HUGGAN ON HIS CAREER

(Mr. DUNN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DUNN. Mr. Speaker, I rise today to congratulate an exceptional member of the United States Navy on the event of his retirement, Commander Doug Huggan.

On Friday, July 14, Commander Huggan completed his tour as the commanding officer of the Naval Support Activity Florida. This caps a long and distinguished career.

His service to the Navy started as an E-6 airborne command pilot and has taken him around the world, from the European Command to Japan, and finally to Panama City.

While at NSA Panama City, Commander Huggan led over 3,000 Active-Duty and civilian personnel in performing critical missions, including surface warfare training, explosive ordnance disposal, salvage training, and experimental diving.

His leadership over the last 2 years in the Second District is a testament to the core values instilled upon all those who serve in the Navy.

Mr. Speaker, please join me in saying thank you to Commander Huggan and his family for their years of service and sacrifice, and wish them luck as they move on to enjoy a new chapter in their life.

### NORTH KOREA IS A SLAVE TRADER

(Mr. POE of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. POE of Texas. Mr. Speaker, a new soccer stadium in St. Petersburg, a luxury apartment complex in Moscow, all brought to Russia by North Korean slaves. That is right. These slaves get almost no wages, no holidays, with little food or sleep.

Little Kim not only enslaves his own people at home, he runs an international slave trade. The slave network brings in \$2 billion to \$3 billion every year to the North Korean military complex and helps little Kim evade sanctions. This is state-sponsored human trafficking and slavery.

The slaves are not just sent to Russia. It is troublemakers like China and Qatar, too, that are slave destinations.

Secretary Tillerson has called upon all countries to fully implement U.N. Security Council resolutions to sever or downgrade diplomatic relations with North Korea in order to financially isolate that country. It is time these countries comply with the United Nations resolutions, and we must send a united message to North Korea: End your slave trade and stop the saber rattling.

And that is just the way it is.

### IF DONALD TRUMP, JR., WERE A DEMOCRAT

(Mr. SMITH of Texas asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SMITH of Texas. Mr. Speaker, if Donald Trump, Jr., were a Democrat, the media would be defending him for doing what every campaign does: conducting opposition research. The media would be praising him for ending a meeting when it became obvious there was no evidence to back up an informant's allegations. The media would be pointing out that many countries' leaders openly supported Barack Obama for President, including those from the United Kingdom, France, Sweden, and Nicaragua.

Maybe the real crime is the media's double standard. In their irrational obsession with destroying the Trump Presidency, the liberal media have forgotten journalism's profound responsibility: to be fair and objective.

### SERGEANT JOSEPH GEORGE KUSICK VA COMMUNITY LIVING CENTER

Mr. DUNN. Mr. Speaker, I move to suspend the rules and pass the bill (H.R. 2210) to designate the community living center of the Department of Veterans Affairs in Butler Township, Butler County, Pennsylvania, as the "Sergeant Joseph George Kusick VA Community Living Center".

The Clerk read the title of the bill.

The text of the bill is as follows:

H.R. 2210

*Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,*

### SECTION 1. FINDINGS.

Congress finds the following:

(1) Sergeant Joseph George Kusick of Bruin, Pennsylvania, was assigned to the command and control detachment of the 5th Special Forces Group (Airborne) of the Army during the Vietnam War.

(2) On November 8, 1967, Kusick distinguished himself by exceptionally valorous actions while serving as a radio operator of a special forces reconnaissance team on a combat mission deep in hostile territory.

(3) During an enemy ambush, Kusick, though seriously wounded, refused aid and radioed the forward air controller to advise him of the critical situation.

(4) While the team leader led a withdrawal to a landing zone, Kusick maintained contact with the controller and requested emergency extraction.

(5) Realizing the importance of having a radio operator on the ground to direct landings, Kusick refused evacuation by the first helicopter.

(6) After the second helicopter was shot down, and in the midst of enemy fire, Kusick continued to maintain radio contact and called for a hoist extraction of the men still remaining on the ground.

(7) The last helicopter, which Kusick boarded, was shot down by intense Viet Cong fire and crashed in flames, resulting in Kusick's death.

(8) On December 22, 1967, Kusick was posthumously awarded the Silver Star Medal for gallantry in action.

(9) The citation to accompany the award of the Silver Star Medal stated that "Kusick's gallantry in action, at the cost of his life, was in keeping with the highest traditions of the military service and reflects great credit upon himself, his unit, and the United States Army".

### SEC. 2. SERGEANT JOSEPH GEORGE KUSICK VA COMMUNITY LIVING CENTER.

Mr. DUNN. Mr. Speaker, I ask unanimous consent that all Members have 5 legislative days to revise and extend their remarks.
